CAREER SUMMARY

Communications, digital content, and knowledge management professional with 5+ years of experience across the UN system and international development, with experience in design, digital channels, and event-driven narratives. Master's in African Studies with a climate and resilience focus, complemented by field experience in Kenya. Proven track record in multi-channel communication strategies, organic audience growth, digital platform management, and stakeholder training within international organizations like the World Meteorological Organization and UNHCR. Maintains a personal documentary project on climate-affected communities at *timothycastillon.com*.

CORE COMPETENCIES

- **Multimedia communication resources:** Layout and production of reports, toolkits and newsletters; photo selection; campaign banners and video editing (Adobe Creative Cloud, Canva, Videoscribe).
- **Digital platforms, strategy and audience growth:** Managing public and internal websites and knowledge systems (Drupal CMS, SharePoint); growing organic LinkedIn and X/Twitter audiences; planning multi-channel editorial calendars; tracking engagement.
- **Events, training and stakeholder engagement:** Technical and communication support for international webinars and events; moderating sessions; co-leading staff adoption campaigns and training; working with UN agencies, government agencies, executive boards and project teams across countries.
- **Climate and resilience background:** Interdisciplinary master's with a climate and resilience focus, fieldwork in Kenya, and UNFCCC/UNDP training on Article 6.2 of the Paris Agreement.
- **Project Management & AI Integration:** Designing SharePoint project-tracking frameworks, managing portfolio milestones and online training sessions, and leveraging AI tools (GitHub Copilot, Claude) to optimize research and workflows, complemented by designing and maintaining a data-centric professional portfolio at *timothycastillon.com*.

PROFESSIONAL EXPERIENCE

Independent Consultant – Communications & Knowledge Management
Multiple International Development Clients (Remote) **February 2025 – present**

- Execute digital content strategies, editorial scheduling and multi-channel dissemination for humanitarian and protection initiatives, including a six-month social media calendar built around humanitarian and protection awareness days.
- Design and maintain visual branding assets, digital toolkits and reporting workflows for international stakeholders.
- Build and manage websites and knowledge systems (Drupal, SharePoint, HTML/CSS).
- Built two automated reporting systems using Microsoft Forms, Power Automate and Power BI, including a donor-reporting dashboard embedded in a client's website.

WORLD METEOROLOGICAL ORGANIZATION (WMO)
Knowledge and Information Management Support Officer (P1)
Geneva, Switzerland **November 2023 – October 2024**

- Tested new Microsoft tools for WMO's systems: prototyped against business needs, piloted with primary users, revised from feedback, then opened to wider testing before rollout. Applied the same approach to the intranet migration and project-tracking dashboards. Administered SharePoint and the intranet platforms.
- Replaced fragmented Excel tracking with a SharePoint list covering 100+ projects. Tested versions with lead Programme Managers to find workflow bottlenecks and, from their input, automated metadata tagging to reduce manual entry.
- Co-led the staff adoption campaign and training for a full intranet migration using segmented Mailchimp emails and multi-platform training sessions: 80%+ staff reach and fewer IT support tickets through clear self-service guidance.
- Audited engagement across 12 Communities of Practice, retired inactive networks and launched priority thematic groups; participation across the networks increased by 20%. Reported outcomes to executive boards.

Knowledge and Information Management Intern
Geneva, Switzerland **May 2023 – November 2023**

- Supported the migration of institutional documents during the intranet redesign, including categorization and quality checks.
- Helped establish the 5 Community-of-Practice networks and produced analytics reports on their activity.
- Co-led two staff training sessions with my supervisor on Microsoft folder ownership and knowledge management practices.

UNITED NATIONS HIGH COMMISSIONER FOR REFUGEES (UNHCR)

Communications and Advocacy Intern - Global Protection Cluster (GPC)

Geneva, Switzerland **September 2022 – May 2023**

- Designated by my supervisor as decision-owner for the GPC's public Drupal website: uploaded 300+ materials, kept the 15 Areas of Focus pages updated, and built and archived the Global Protection Forum pages for 2018–2023, serving 15 global operations including conflict-affected contexts.
- Handled the design and production of GPC publications (reports, guidance, toolkits, 3 Human Rights Engagement newsletters): layout, formatting and photo selection from UNHCR's Refugee Media library, working from content written by protection officers. Made 30+ banners and edited 4 campaign videos (Adobe Creative Cloud, Canva).
- Grew organic LinkedIn followers by 109.7% and X/Twitter followers by 652 in 6 months (124,373 tweet engagements); integrated a Trello board into the 2023 social media plan; designed and sent the GPC's Mailchimp newsletters.
- Provided technical support for all GPC Zoom and Teams webinars and in-person events, including the Humanitarian Networks and Partnerships Weeks (April 2023), and moderated a session at the Global Protection Forum.

LOCAL GOVERNMENT ACADEMY (LGA)

Project Officer

Manila, Philippines **November 2019 – September 2020**

- Led "L!stong Ugnayan," an online discussion series for local government officials nationwide on how national agencies were handling the COVID-19 response (March to August 2020, 3 to 4 sessions per week): planned topics and schedules, coordinated resource speakers and partners, hosted live sessions with Q&A and reported on participant feedback.
- Designed and delivered 5 national asynchronous online training programmes for newly elected officials, in partnership with government agencies, development organizations and academia.
- Produced analytical reports for national stakeholders on international benchmarking and government scholarships for officials studying abroad, using participation and outcome data to recommend programme improvements.

Project Assistant

Manila, Philippines **June 2018 – August 2019**

- Researched and documented 50+ governance initiatives from uncatalogued data into a structured digital knowledge base (the "Innovative Solutions Bank").
- Supported in delivering three national training programmes for local government personnel.

UNIVERSITY OF THE PHILIPPINES DILIMAN

Student Assistantship, NCPAG Library

Quezon City, Philippines **August 2015 – July 2017**

- Maintained academic and archival records and supported 20+ academic programmes and events, reducing request turnaround time by 10%.

EDUCATION

M.A., EMJMD, European Interdisciplinary Master in African Studies (Climate & Resilience Focus)

University of Bordeaux Montaigne, France; University of Porto, Portugal; University of Bayreuth, Germany; | 2020 – 2022-
Grade: Mention Très Bien. Fieldwork in Narok and Nairobi, Kenya. Thesis: Urban Risk Management and Building Resilience: Effective Disaster Risk Management Strategies.
